## About Us

Welcome to DSW, (Established in 1976) an Indian company with over 47 years of experience in designing, manufacturing and installing Railings, Spiral Staircases and Aluminum Doors & Windows for both Retail and Projects.

We are fully committed to deliver an outstanding level of service; ensuring customers have direct access to the relevant department every time. As established and well-respected Railings, Spiral Staircases & Window manufacturers we pride ourselves on quality, but that commitment to quality covers both our products and our service.

“Step Up to Any Challenges” - to warrant our undivided attention, creative inputs and quality for which we are well known.

At DSW, our belief in the continuous pursuit of excellence in performance, quality and innovation has led us to adopt a radical approach towards change and excellence. Add to that, our passion to bring you the best - Premium Quality Architectural & Minimal Systems to match your requirements.

### Mission & Objectives

We will aspire to achieve business excellence in our products and services through:

- The spirit of ownership and constant development.
- Optimum utilization of resources.
- Environment friendly procedures and practices.
- Maintain highest Ethics and Integrity.
- Positive impact on the communities we serve & touch.
- Provide superior products and services that meet the ever-changing needs of our current and prospective clients.
- Hiring, developing and retaining the best people.
- Provide our employees with an opportunity for professional growth, personal satisfaction and financial security.
- Build and maintain long-lasting, consistent, honest relationships with our customers.

### Our Vision

To become a globally admired Railings, Spiral Staircases, Windows and Doors manufacturing company enhancing the quality of life of all our clients through sustainable products, quality & excellence in service.
